

## Club General Information

Ice time is non-transferable. Every attempt will be made to re-schedule sessions that the Kits FSC has cancelled. Pro-rating for late entry is available starting Monday, October 3, 2011. The Kits FSC is not responsible for making up time for sessions missed by the skater. The Kits FSC is not responsible for lost or stolen articles. Unfortunately, the Ice Rinks are a target for thieves, so please keep your gear and property secure.

All parents/guardians are 100% responsible for their children while at Kitsilano Arena. Do not leave children unattended. Should your child need to leave the ice for any reason during a lesson, the coach can not leave the ice to attend to your child.

### Session Criteria and Ice Use Policies

Skaters who do not yet hold a CanSkate Level 6 Report card are called "Beginners". Due to the large number of different classes of users, and limited ice, there is no ice time available for Beginners wishing private learn-to-skate lessons. If you are a keen beginner who has not yet earned your Level 4, we suggest enrolling in all 3 weekly CanSkate classes. Once you have earned your Level 4 badge, you have the option of enrolling in Junior Development which offers smaller class size, more personalized instruction and more emphasis on higher-level figure skating skills. For more information about Junior Development, please see our brochures, web site or talk to a club coach or our administrative assistant.

## Christmas Skate Party

**Saturday December 17th 10:30 - Noon**

Bring your skates, your friends and your family to our annual festive party on ice. There'll be hot cocoa and other holiday treats. Everyone is welcome to skate at no charge.

There will be no rentals - skaters will need provide their own skates and helmets.

## Ice Etiquette and Right of Way

- All skaters must treat fellow skaters, coaches and Kits FSC Board members with respect.
- Skaters performing their Solo have the first right of way. Please wear the Yellow/Red Performance Sash for identification.
- Skaters in a lesson have the next right of way.
- Skaters may request solo music up to twice/session, unless in a lesson. Please respect the music queue.
- Skaters should avoid skating in the centre of the rink as this impedes on the other skaters' ability to perform their programs.
- Skaters must be aware of other skaters' positions at all times.
- Do not interrupt coaches when they are giving lessons

The full Ice Etiquette and Ice Use Policy of the Kits FSC can be found in the Club Office and on the web site.
