

Club General Information

Ice time is non-transferable. Every attempt will be made to re-schedule sessions that the Kits FSC has cancelled. Pro-rating for late entry is available starting Monday, October 3, 2012. The Kits FSC is not responsible for making up time for sessions missed by the skater. The Kits FSC is not responsible for lost or stolen articles. Unfortunately, the Ice Rinks are a target for thieves, so please keep your gear and property secure.

All parents/guardians are 100% responsible for their children while at Kitsilano Arena. Do not leave children unattended. Should your child need to leave the ice for any reason during a lesson, the coach can not leave the ice to attend to your child.

Ice Etiquette and Right of Way

- All skaters must treat fellow skaters, coaches and Kits FSC Board members with respect.
- Skaters performing their Solo have the first right of way. Please wear the Yellow/Red Performance Sash for identification.
- Skaters in a lesson have the next right of way.
- Skaters may request solo music up to twice/session, unless in a lesson. Please respect the music queue.
- Skaters should avoid skating in the centre of the rink as this impedes on the other skaters' ability to perform their programs.
- Skaters must be aware of other Skaters positions at all times.
- Do not interrupt coaches when they are giving lessons

The full Ice Etiquette and Ice Use Policy of the Kits FSC can be found in the Club Office and on the web site.

Session Criteria and Ice Use Policies

Kitsilano FSC has a limited amount of ice with which to serve skaters with a wide range of skills. In order to maximize enjoyment and safety we have defined criteria based on skill level. You may skate only on ice for which your skill level fits the criteria. These criteria are:

Junior Development	Has completed Stage 4 and/or has approval of Director of Programs
STARSkate	Has completed Stage 7 and/or has approval of Director of Programs
Advanced STARSkate	Approval by Director of Programs
Elementary	Working on Preliminary Freeskate
Junior	Has passed Preliminary Freeskate
Intermediate	Has passed Junior Bronze Freeskate
Senior	Has passed Senior Bronze Freeskate

Skaters who do not yet hold a CanSkate Level 6 Report card are called "Beginners". Due to the large number of different classes of users, and limited ice, there are no sessions for Beginners wishing private learn-to-skate lessons. If you are a keen Beginner, we suggest enrolling in all 3 weekly Junior Development classes. This route will progress you past Level 6 quickly, at which point you will be eligible for private lessons.

Adults without tests are allowed on Junior or Adult ice only and may skate unsupervised. Adults with recent test levels may skate in the appropriate category.
