Do not leave children unattended.

Session Criteria and Ice Use Policies

Kitsilano FSC has only a limited amount of ice and needs to serve skaters with a wide variety of skills. In order to maximize the enjoyment of the ice for skaters at different skill levels we have divided our ice sessions into classifications. You may skate only on ice for which your classification fits. These classifications are:

Junior Development	Has completed Stage 4 and/or has approval of Director of Programs
STARSkate	Has completed Stage 7 and/or has approval of Director of Programs
Advanced STARSkate	Approval by Director of Programs
Elementary	Working on Preliminary Freeskate
Junior	Has passed Preliminary Freeskate
Intermediate	Has passed Junior Bronze Freeskate
Senior	Has passed Senior Bronze Freeskate

Adults without tests are allowed on Junior or Adult ice only and may skate unsupervised. Adults with recent test levels may skate in the appropriate category.

Members are skaters who's Skate Canada registration is paid for through Kitsilano Figure Skating Club and who skate on KitsFSC ice at least once per week for a minimum of one session of the year.

Skate Canada Coaches

Skate Canada certified coaches and their students are welcome to our open sessions, provided they meet session criteria and adhere to our policies, and provided the session is not full. Students wishing private lessons should book in advance with the Club Coach of their choice. Remember to be on-time to your lessons. See our web-site for information on our club coaches.

Ice Etiquette and Right of Way

- All skaters must treat fellow skaters, coaches and Kits FSC Board members with respect.
- Skaters performing their Solo have the first right of way. Please wear the Yellow/Red Performance Sash for identification.
- Skaters in a lesson have the next right of way.
- Skaters may request solo music up to twice/session, unless in a lesson. Please respect the music queue.
- Skaters should avoid skating in the centre of the rink as this impedes on the other skaters' ability to perform their programs.
- Skaters must be aware of other Skaters positions at all times.
- Do not interrupt coaches when they are giving lessons

The full Ice Etiquette and Ice Use Policy of the Kits FSC will be found in the Club Office and on the web site.

The Kitsilano Figure Skating Club provides Open, Dance and Freeskate ice, as well as group coached lessons in stroking. Skaters may also take part in figure skating competitions at local, provincial, national or international levels – as far as a skater can go!

Kitsilano Figure Skating Club also has an active **Adult Skating Program**.
